The Rev. Joseph A. d'Inviillers, S.J., delivered an address at Camp Meade on the relationship of religion to good citizenship on Tuesday, July 6. Attending the lecture were high school students from various schools throughout the state who are attending a two week course this summer under the auspices of the American Legion.

The group of boys form a Boys' State; they elect the mayor of a supposed city, a governor of the state and a state senate.

The purpose of the program is to teach American youth how their government functions. This year, 115 boys are attending the two week session. Talks are scheduled to be given by numerous Baltimore City officials.

Moonlight Set For Tomorrow

Tickets

Tickets for tomorrow night's moonlight cruise may be obtained at the ticket table which has been set up in the cafeteria. Price of the ticket is \$1.15 per head. Class officers advise those who intend to go, to secure their tickets at school, not to wait until arriving at the pier.

Sponsored by the Sophomore July 1950 class, the gala end-of-the-year moonlight cruise to which all members of the student body are invited is scheduled for tomorrow night. The trip will be on the S. S. Francis Scott Key, which leaves Pier 16 on Pratt Street at 8:30 p. m.

Edward O. Clarke, Jr., president of the July '50 class and general chairman of the cruise, has asked for all-around school support for the affair. "This is the first major activity of the class, and one which we hope will be a real success", said Clarke, "and with the date picked being the last day of school for this year, we feel it's an ideal time."

Clarke, Lawrence Davis and William Dempsey are in charge of the cruise. Clarke is ticket chairman, Davis is the entertainment chief, and Dempsey has charge of the publicity program.

Davis has arranged for a six-piece orchestra featuring some of the outstanding talent in the city to provide the music for the occasion.

Catalogues Distributed By Dean's Office

Catalogues for 1948-49 of both Loyola Day and Evening Schools are now available to students in the Registrar's Office.

The Evening School and Adult Education catalogue contains 64 pages listing 160 courses available to students, including courses in Nursing and Russian.

The Day School catalogue has 116 pages listing 161 courses which students may pursue. During the school year 1947-48, 992 students representing 137 high schools in 26 states, the District of Columbia, and Brazil attended Loyola Day School.

Baccalaureate Mass Honors July '48 Class

Thirty-one Loyola seniors, members of the July 1948 class, will be awarded their diplomas of graduation at a special Baccalaureate Mass in their honor on Sunday, July 25 at 9 a. m.

The Mass will be celebrated in the Student's Chapel and diplomas will be awarded there. Immediately following the Mass breakfast will be served in the Oak Room of the Cafeteria.

Draft Defers For One Year

The Selective Service Act of 1948, signed by the President on June 24, provides for the registration of all males between the ages of 18 and 26 residing in the United States and its colonies and possessions. It also provides for the conscription of all eligibles between 19 and 26.

Draftees will serve 21 months in that branch of the armed forces to which they are assigned; enlistees will serve only 12 months in the branch of their choice. Upon discharge, both groups will be placed in the reserve for five years.

Students To Be Deferred

Exempted from military service are all veterans who served 90 days or more in the forces during the last war. Reservists who enlisted before June 24 will also be exempted.

Full-time college students will be deferred until the end of the academic year in which they are called up. And the President may defer indefinitely anyone employed in essential work or study.

Draft Begins In September

Draft boards are now being set up, and registration will take place around the middle of August.

Actual induction, however, will not begin until after September 22.

Final Issue

This edition is the final issue of THE GREYHOUND for the scholastic year of 1947-48. Twenty-two issues, a record number, have been published, twenty of them eight-page editions. Due to final examinations this week, the final issue has been limited to four pages.

Members of the staff will be contacted during the late summer for work on the first edition of next year which will appear in September.

Editorials

We Made It!

Scholastic year 1948 will be placed in its grave tomorrow. In most cases, there will be shed no ocean of briny tears. At times, we wondered whether we would not die before the term did. We had good reason for that wonderment.

Setting aside the lengthy year, the abundance of subject matter and the hardships of lab labors, the average Loyola College student was besieged by a number of problems which gave him just as convulsive a fit as did his classwork.

There were those who took time out to marry. There were others whose wives had children. Some worked a thirty hour week besides attending classes. Others gave generously of hour after hour of their time to sports and extra-curricular activities.

To add to that misery we were beset by the annual malady of Spring Fever. When we had almost conquered that, summer stole upon us with a heat of such intensity that even the perspiration perspired. Many took summer jobs during the Spring Term. The outcome was that both classwork and jobwork suffered. But somehow or another, we managed to make it.

Now, we can look back and make a few judgments. We know that we have profited intellectually and spiritually. Despite the apparent maze and haze of school activity, we know that there was a certain order, a pre-ordained plan, which we followed and from which we have benefited. Blind spots were cut away, impressions made and goals achieved. In other words, we have progressed.

Although summer is a time of rest and physical rejuvenation, it is not a time to wrap up the year's progress in brown paper and tuck it away in the closet until September. Make use of what you have learned. Knowledge is too precious a gem to keep hidden in darkness. There may come a time when truth will be suppressed. Learn now lest you fall prey to those who would destroy knowledge and the truths to be learned from its use.

JULY '49 OFFICERS meet to discuss plans for Junior Prom.

July '49 Announces Plans For November Junior Prom

Preliminary plans were formulated for next year's Junior Prom at a meeting of the class of July '49 which was held on Thursday, July 8. Gene Welsh, president of the class, announced that Lawrence Mooney was appointed chairman of the Prom committee.

The tentative date set for the dance is November 5, 1948.

Contest To Be Held

The Prom queen for the class of July '49 will be chosen by a contest which the class will sponsor. The committee decided to depart from the usual procedure and choose the queen in open competition.

The initial purpose of the contest is to select an appropriate theme for the dance; the winner of this contest will select the Prom Queen.

Secretary Receives Entries

All entries for the competition are to be submitted to the Secretary of the class, Medio Walt. The class officers will act as a board of judges who will choose the best entry.

The committee defined the word theme as "a symbolic object of some kind that has, of course, some purposeful meaning, i. e., gold nuggets to be symbolic of the forty-niners." The theme must be simple and practical, the committee pointed out.

Running WITH THE Hounds

by Mickey Parr, Sports Editor

We won't begin this final article by saying that another sports year is now drawing to a close, for as far as varsity sports are concerned, the shop was closed down more than six weeks ago.

The baseball season drew the curtain on what was probably the most successful all-sports years, in terms of wins and losses, in

Greyhound annals.

Ten different sports kept things going at a hot pace from the opening gun in September until the June finale. Athletic Director Lefty Reitz and his coaching staff have earned a lengthy vacation, but haven't been entirely resting on their laurels.

1948-49 Outlook Is Good

They have been busy shaping up formidable schedules and looking over their lists of potential athletes for 1948-49. At this point, prospects for next year can be looked at with an optimistic air, especially for the Championship Basketball team.

However, more of that along definite lines when September again brings us back to the ups and downs of the ever-thrilling sports trail.

Leaving the athletes for awhile, let's look at the material side of the Evergreen sports picture.

Set-Up Much Improved

With the work that has been done on the past year or so, and that which is due to be completed by the opening of school in the fall, the setup here would be very unfamiliar to anyone who hasn't been around for several years.

600 additional seats in the gym, a new press box, a stand for the television photographers, electric scoreboard, glass backboards, new coaches' and referees' dressing room, ALL in perfect working order, covered dugouts for the baseball team, screen protection for the spectators, fenced in athletic field, . . . and even a real, live greyhound for a mascot.

We have the personnel and material. Now we have but to produce the fortitude, stamina, and teamwork. Result—VICTORY.

The Line-Up

(This is another in a series of articles on outstanding Loyola athletes)

Long Practice Hours Pay Off For Cronin

by Gerry McCormick

An addition to Loyola's growing list of Mason-Dixon Conference Championships was made recently when Jack Cronin finished ahead of the field in the Mason-Dixon Golf Tournament. The hard-working Cronin also won the Western Maryland Intercollegiate Tournament which boasted golfing stars from many Eastern colleges.

Number one man on Fr. Herlihy's team this year, Cronin gained seven victories against two defeats, while two matches were halved.

Practices Often

Cronin formerly played for Poly where he teamed with Nemo Haslbeck, present Loyola golfer, to lead Poly to the State Championship. During a four and a half year tenure in the Army Air Force he kept in practice by winning camp tournaments at Keesler Field, Mississippi and San Antonio, Texas.

Starting to play golf while he was very young, he picked up the game as he went along, without taking lessons from professionals. A strong believer in frequent and long practice, Jack sometimes practices a certain shot for an hour or more.

Good Chip Shot

Although he strives for, and has attained, a well-rounded game, his chip shots are the special envy of many of his opponents. Due to this unusual skill at chipping, he can afford on occasion to miss the green, a misfortune which would ruin most golfers.

Fortunately Jack has never been bothered by "nerves". However in

Jack Cronin

the more important tournaments he likes to have someone keep him informed of the progress of his rivals, so that he can bear down if necessary.

Agreeing with most experts that form is essential, Jack has a very orthodox style with few modifications.

Gizmos Cop Title In Tight Softball Race

Intramural softball ended a brilliant 1948 season recently when the two powerhouses of the league tangled in the title-deciding clash, with Gus Gilbert's Gizmos defeating Ben Spurrier's Dark Horses, 5 to 3.

The contest left the Gizmos at the top of the standings with a 5 won and 1 lost record, while the Dark Horses were right on their heels with a 4 and 2 log.

Both clubs were packed with potential hitting power, but the big difference was found in the steady, consistent arm of the Gizmos' Captain, Gus Gilbert. The successful Gilbert toiled on the mound for every one of the champ outfit's games.

Important cogs in the Gizmos' machine, were Andy O'Donnell, Bob Anderson, Mike Zedalis, Tommy Nugent, and Sal Cammarata.

Due credit should be given to the various team Captains for one of the most spirited intramural sports programs ever held at Loyola.

Veterans Must Report On School

Loyola students who are veterans will be paid subsistence for 15 days after the Spring Term ends, July 20, and will have 15 days deducted from their term of eligibility unless they sent in a form before June 27 to the Baltimore V. A. office requesting that they not be paid.

Entertainment Calendar

MOVIES

KEITH'S — "Man-Eater of Kumaon" with Sabu. It is a faithful reproduction of something that should not have been produced, Jim Corbett's book about his actual hunting experiences.

CENTURY — "Mr. Blanding Builds His Dream House" with a trio of stars that promises a wealth of entertainment. Gary Grant, Myrna Loy and Melvin Douglas have a lot of fun building their dream house. Incidentally, proceeds from Baltimore's own dream house constructed by Knox and Dickinson will be donated to hospitalized veterans.

NEW — "The Street With No Name". It's the same old type of gangster show, that is, a tough yarn about the big time mobs of the early thirties. It stars Mark Stevens and Richard Widmark.

TOWN — Walt Disney's refresh-

ing, fantasy musical, "Melody Time" begins at the Town this weekend. It promises typical Disney entertainment that never fails to please all.

THEATRES

OLNEY THEATRE — Eugenie Leontovich and Jose Ferrer co-star in the comedy play, "Twentieth Century". The action takes place on the famous Twentieth Century Limited between New York and Chicago.

HILLTOP THEATRE — a revival of "Sherlock Holmes" is being presented this week, starring David Louis as the famed detective.
